

ERBAIO A E.F.A. Autumn

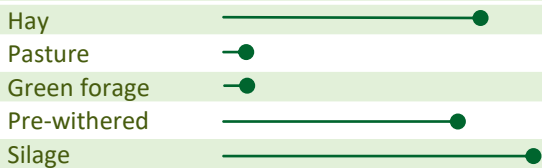

Medium-early cycle

Cereals and legumes based forage

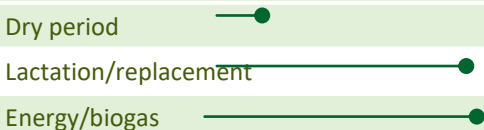

- Forage mix with high concentration of legumes (>50%),
- Born to comply with E.F.A. regulations of the “greening” of the last EU C.A.P., it continues to be sown even without specific subsidies thanks to its versatility of use and good yields

USAGE TYPES

INTENDED USES

SEEDING RATE

160 kg/ha
